IMPORTANT

Termination of your BellSouth Internet service through Georgia MLS will also result in the termination of the EMAIL address associated with that BellSouth.net account. Therefore, you will need to download all email messages PRIOR to the "Effective Date" listed on this form.

Should you need to establish a new BellSouth.net dial-up account, you will need to contact BellSouth directly at 1-800-4DOTNET. Please note: At this time, you will NOT be able to keep the same email address when switching from a Georgia MLS dial-up account to a dial-up account billed directly to your BellSouth phone bill. If you would like to establish a BellSouth DSL account, contact BellSouth's DSL Customer Service line at 1-888-321-2375.
