CHOOSE THE SERVICE THAT'S RIGHT FOR YOU!

Supra – eKey Basic Services

By using a Supra-certified PDA or smart phone, agents achieve access to listings and can program their own lockboxes and retrieve showing information via the Internet. Agents also have access to Classic PDA functions – address book, date book, to-do list ...

eKEY Basic Services:

- Opens iboxes
- Read keyboxes at listings; view showing agent name and phone number
- Customize iBox access hours as you take the listing
- Add business card, flyer and showing notes to iBox
- Track iBox inventory and view settings on your device
- Send showing feedback to listing agents when you update your key
- View showing activity details in KIMweb

Supra – eKEY Professional Services

Using a Supra-certified *smart phone, agents achieve access to listings, program their own lockboxes, receive showing information over the handheld device, showing feedback, a daily download of current MLS information including listings, electronic maps to those listings, agent roster, and a financial calculator.

eKEY Professional Services:

- Opens iboxes
- Read keyboxes at listings; view showing agent name and phone number
- Customize iBox access hours as you take the listing
- Add business card, flyer and showing notes to iBox
- Track iBox inventory and view settings on your device
- Send showing feedback to listing agents when you update your key
- View showing activity details in KIMweb
- Retrieve specific MLS info wherever you are
- MLS info and agent roster refreshed daily on your key device
- View HotSheets
- Search MLS five ways (Most used is Address Search)
- Free Google maps linked to listings
- Create and save buyer profiles and mini-CMA searches on device
- View showing details and feedback on your device

*Visit your local wireless retailer to purchase your phone and choose your plan. Return to your Association/Board/MLS to obtain the Supra eKEY application.
