

New Listing Input Forms

In conjunction with the addition of the connectMLS™ platform, the listing input forms and their associated fields have been updated to align with the Real Estate Standards Organization (RESO) guidelines. These new input forms reflect the restructuring of property types, and will follow the listing entry process in connectMLS and Paragon MLS.

The following are the new, updated, Listing Input forms:

[Residential](#)

[Residential Income](#)

[Residential Lease](#)

[Land](#)

[Commercial Lease](#)

[Commercial Sale](#)
